

1000 New Stores Rocks Investors!

China Shoe Holdings Inc. (CHSH)  
\$0.58

CHSH is rocking investors with recent plans to open 1000 new retail outlets over the next two years. More news is expected Monday and we are expecting huge trading in expectation of it.

Read the news and get on CHSH first thing Monday!

Williams then knocked out Dean.

That would also make it easy to attach voice triggers to your favorites to simply speak a key word after you brought the phone to your face to dial.

The final heads up play came down to two Las Vegas residents, Scott Fischman and Joe Awata, both former poker dealers.

If you release the Home button now a copy of the word flies to the nearest screen edge, implying that this is a copy.

a menu button perhaps?

It's just unbelievable.

The thing's basically a Newton reborn anyway.

It had a UPS sticker on it with instructions to the Post Office to deliver it to me.

Let me dictate my ideas on the fly.

It had a UPS sticker on it with instructions to the Post Office to deliver it to me.

The student outlasted the teacher.

Nguyen pulled a flush on the river to close out the tournament.

Since then, he has played "semi-pro" poker, earning enough money online and in poker tournaments to finance his entire tuition in his second year of grad school.

Otherwise it would be like starting a selection with your eyes closed and hoping for the best.

org weblog, of which iPhone, Wiimote, or newborn baby: which has the best built-in accelerometer?

In other words, double clicking to start selection or whatever other method is completely useless until you have your cursor at the starting point.

the day after the NHL finals are played in Hades.

Stop moving for a second, and the selection starts.

Roll out language options as they are perfected.

Physical gestures like shaking the entire phone to left or right?

iPhone, Wiimote, or newborn baby: which has the best built-in accelerometer?

The iPhone has the accelerometer already.

It would be really annoying if dragging always selected text.

I'm curious to see what you all come up with.

" Matros believes that players who learn poker online at Party Poker have an advantage over some of the long time veterans who may be set in their ways.

Yes, there are languages besides English, but so what?

Each copied item is displayed in a list.

Tap again with two fingers, the pop up menu comes again with paste.

Among the defeated were a host of poker pros including Scotty Nguyen, Doyle Brunson, Johnny Chan, Tom McEvoy, Chris Ferguson, Huck Seed, and others.

Selecting arbitrary text is trickier: perhaps tap and hold to bring up the magnifier as works right now; then engage a second finger to indicate you've started selecting.

To paste, when your in a text field, you just double click in the text field and it pastes the thats in the clipboard.

Also, I'm going to be taking about two months of paternity leave from working on kottke.

" "I still can't wrap my head around making it to the final table," he said. says: Text selection should occur via fingernail-drag.

In an exciting final hand that saw both Raymer and Williams making a full house, Raymer emerged victorious with eights over twos against Williams' fours over twos.

It would seem that superior math and creative writing skills are not often found in the same person, but Matros says: "There's a certain logic to story telling and a certain logic to math.

A two finger press-and-hold released without selecting any text should bring up another context menu for Paste and Select All.

Flip unit to reorient screen from portrait to landscape and vice versa.

To copy and paste, no ribbons, buttons or context menus are needed.

People want the same relationship with the iPhone that Kirk and the gang had with their little pinned-on communications devices and tricorders.

Related to this, does anyone know where a Feedback form for Apple might be?

Swipe screen to flip album covers in iPod mode.
